MASS. SECRETARY OF THE COMMONWEALTH
OFFICE OF THE
SECRETARY OF THE COMMONWEALTH

The Commonwealth of Massachusetts.

OFFICE OF THE SECRETARY, BOSTON, Feb. 18, 1909.

To the Honorable Senate

and the House of Representatives.

I have the honor to submit herewith, in compliance with section 29S, chapter 560, Acts of 1907, a report of the number of assessed polls, the number of registered male and female voters at the date of the last annual State election and city and town elections, and the total number of persons, both male and female, who voted at each such election in each city and town, and in every voting precinct of the several cities and towns, together with the number of votes received by each candidate for a State office at the last annual State election, arranged by cities, towns and districts.

SUGGESTIONS AND RECOMMENDATIONS.

In compliance with that portion of the law quoted above which refers to other matters relating to elections and to suggestions thereon, I submit the following:—

My attention has been called by the Election Commissioners of the city of Boston to the fact that the existing law is such that at special elections of State officers the time for filing petitions for recounts of votes cast in primaries held in Boston is the same as that for filing certificates of nomination. For example, a special election is to be held on the second day of March. The law provides that primaries for special elections shall be held on the second Tuesday preceding the day of the election; therefore, the primaries were held Tuesday, February 16. The law further provides that certificates of nomination shall be filed on or before the twelfth day preceding the day of the election, which in the case cited is February 18. In Boston petitions for recounts of votes cast at primaries must be filed on the second day following the primaries, which in this case is the 18th, the identical time when certificates of nomination must be filed, thus practically nullifying the recount provision of the law. It is

quite apparent that there should be an interval of a few days between the last day for filing a petition for a recount and the day on which the certificate of nomination must be filed, and I recommend that the law be amended accordingly.

CORRUPT PRACTICES.

Under the provisions of chapter 560, Acts of 1907, there were received from candidates for nomination a total of 691 returns, of which 27 were premature, 176 were late, 37 were irregular, 15 were both late and irregular and 5 both premature and irregular.

The number of returns transmitted to the Attorney-General, as apparently in violation of law, was 260.

There were 531 returns of no payments, 104 payments to political committees, and 54 payments other than to political committees.

There were received from candidates for election a total of 602 returns, of which 164 were late, 34 were irregular, and 24 both late and irregular.

The number of returns transmitted to the Attorney-General, as apparently in violation of the law, was 222.

There were 281 returns of no payments, 287 payments to political committees, and 34 payments other than to political committees.

There were also received from treasurers of political committees 206 returns, and 103 certificates stating that the aggregate receipts and disbursements did not exceed twenty dollars. Sixty of the returns and 13 of the certificates were transmitted to the Attorney-General as apparently in violation of law.

Respectfully submitted,

WM. M. OLIN,
Secretary.

NUMBER OF ASSESSED POLLS, REGISTERED VOTERS AND PERSONS WHO VOTED AT ELECTIONS.

Apparent inconsistencies in the report may be accounted for, in part, as follows:—

First. The number of assessed male polls includes aliens and other persons who are not qualified to become registered voters.

Second. The number of registered male voters includes persons who are exempt from taxation and therefore are not included in the number of assessed male polls.

Third. Many names of voters on the list at the State election are, by reason of change of residence, erased from the list of voters at municipal elections.
